

Grade 8 Girls Volleyball Schedule 2019

Scheduling 27 grade 6-8 girls volleyball teams into court space on a single day of the week (Thursdays) drastically reduces scheduling options. A single round-robin schedule of 9 teams would be everyone's first choice but this was not possible. After numerous late changes, school additions, and host site date restrictions please understand this is the best schedule that could be finalized. This league needs to finish with at least one team to represent FVE at the Fraser Valley Volleyball Championships (berth numbers are still being determined so a second or third may be included. Details TBA)

1. Host schools set up two courts to accommodate four teams. Two host schools each Thursday
2. Each team has a double-header at host site.
3. Each match best of 3 format. Cap of 27 on first two sets, no cap on third set.
4. Net height 2.15m
5. Volleyball Canada rules apply
6. Schedule has been set up in a tournament style, two-pool format with cross-over semi finals and final banner game being completed played on Oct 24 @ Unity Christian. Pool A consists of five teams completing a single round-robin league schedule; Pool B consists of 4 teams playing a double round-robin league schedule.
7. Results (including set scores) need to be reported to Dave Allan to ensure proper playoff seeding/rank.
8. Aim for a 3:15 start time of first match.
